## POST- PRE- SALE INSPECTION REQUEST

### POST SALE INSPECTION

Will you agree to complete a Post Sale Inspection if the Buyer will request One? (\*)

- YES  
 NO

Post sale inspection will help the buyers to evaluate the condition of vehicle purchased. We recommend you to have this option because the buyers are more likely to bid on the car with Post-Sale Inspection available

By refusing the Post Sale Inspection your car will be sold with the status AS IS and you lower your chances to sell the car, because the most of buyers are looking for buying a car with the status GUARANTEED, an option you receive from the Post Sale Inspection.

### PRE SALE INSPECTION REQUEST

Will you agree to complete a Pre Sale Inspection if the Buyer will request One? (\*) \*

- YES  
 NO

Write the Pre-sale Inspection Instructions date, time, address and any other info

By clicking "Yes" you should write the Pre-sale Inspection Instructions date, time, address and any other info

A Pre-Sale Inspection option will increase buyers reliability because they will be able to preview the car before actually bidding on it.
