CHOOSE BETWEEN TWO OPTIONS: "AUCTION" AND "BUY IT NOW"

The screenshot shows the Repokar website interface. At the top right, there are links for 'Learn Video', 'About Us', 'FAQs', and 'Contact Us'. Below these is a navigation bar with 'AUCTIONS', 'BUY', 'SELL', 'MYACTIVITIES', 'STORE', and 'HELP'. The main content area is titled 'SELL' and contains the text 'You are now ready to list your product for sale.' and 'Start selling now! It's fast, easy, and fun. Earn extra cash or build your business'. Underneath, there is a section 'Select the auction type to start selling' with two radio button options: 'Auction' and 'Buy It Now'. A green 'Start selling' button is positioned below the options. Two callout boxes with red borders and lines pointing to the options provide detailed explanations: the 'Auction' box states it allows for a higher price through bidding, and the 'Buy It Now' box states it allows for a set price where buyers offer their own price.

"Auction" type gives you the possibility to sell your car for a higher price because many users will bid on your car until they achieve your reserve price

"Buy it now" - you can choose this option when you have a set price for your car. Here you can allow the Buyers to offer their price for your car

REPOKAR FEES

Do you want unlimited listings and no fees auction?
Please, read the info below about membership fees

POST- PRE- SALE INSPECTION REQUEST

POST SALE INSPECTION REQUEST

Will you agree to complete a Post Sale Inspection if the Buyer will request One? (*)

- YES
 NO

Post Sale Inspection will help the buyers to evaluate the condition of the purchased vehicle. We recommend you to have this option available because then buyers are more likely to bid on the car

By refusing the Post Sale Inspection you will have your car sold with AS IS status; this will lower your chances to sell the car, because mostly the buyers are looking for buying a car with the status GUARANTEED, an option you receive from the Post Sale Inspection.

PRE SALE INSPECTION REQUEST

Will you agree to complete a Pre Sale Inspection if the Buyer will request One? (*) *

- YES
 NO

Write the Pre-sale Inspection's Instructions: date, time, address and any other info

After clicking "Yes", please specify the Pre-sale Inspection's Instructions: date, time, address and any other info

A Pre-Sale Inspection option will increase buyers' trust because they will be able to preview the car before actually bidding on it.
